## EXPERIENCE

### Google DSC Galatasaray, Founder and President

August 2021 - Now

During my presidency in [Google DSC Galatasaray](#), I organized many special education and events for anyone who wants to learn with my teammates. The last of these events was a live education camp attended by thousands of people called [Flutter Camp](#).

### Google DSC Galatasaray, Founder and Vice President

December 2020 - August 2021

During my vice presidency in [Google DSC Galatasaray](#), I organized many events online via YouTube with my teammates. I made Python tutorials and project videos to teach people programming. Apart from that we did an event named [Tensorflow Camp](#), which provided education to thousands of people in the field of artificial intelligence.
